PASTOR SABRINA VASTA

Pastor Sabrina's Dei Light

As wonderful as it is to change routines during the summertime, it's always nice to begin regular programs again in September. I am continually amazed by the level of support our congregation gives to the faith formation activities that encourage the spiritual growth of our children. Nearly every staff member connects with our children on a weekly basis and the number of volunteers who give children's sermons, teach Sunday School, assist with the children's choirs, and educate our confirmands and high school youth is staggering. As we kick off the new program year with Rally Sunday on September 10, let's take a moment to celebrate our children, the gift of their presence, and the hard work of all our volunteers who work with them!

Not only will we continue to have children's sermons during church services, but this year we will also have an intergenerational event at least once a month during education time in between services at 9:40am. The intentional integration of children into the ministries and missions of the church bodes well for the future of our congregation. Not only do children have much to teach us about God, but when we make it a priority to commit to their spiritual growth, we are reminded that faith formation is important for disciples of all ages.

As we enter the new program year, with an exciting array of opportunities for both young and old, we encourage you to find one new way to challenge yourself and engage in your own personal spiritual journey. Join a Bible study or GIFT Group, participate in a book club, attend Sunday morning education time, volunteer with the youth education programs or any of the ministries that happen in and around the church. Looking for something that you don't see? Start something new! We are always blessed when we commit time to our faith journey.

SHELLI PARAJECKAS, PRESCHOOL DIRECTOR

PRESCHOOL

(All things related to the Gloria Dei Lutheran Preschool)

Gloria Dei is a place where children play and pray!

The preschool is up and running. Our first day of school began August 21st, and we are back in our original classrooms. My staff and I have worked very hard to give our old rooms a much needed face-lift. I am grateful, and appreciate the Church members who helped us with moving, sanding, and making trips to the dumpster. It takes a village to make a difference.

The beginning of the school year always hits with great excitement, and I love the energy that comes from these little kids. I'm excited for the growth they will achieve this year, for the relationships we will nurture, and the opportunity to create new memories.

This month we celebrate our families with *Bible Sunday* on September 17th with a service where we give each new student a Bible, and our returning students a devotional. We will have our first family event on Friday, September 29th with *Family Movie Night*.

THE MEN'S CHOIR has been doing such a great job this past year and we've decided to make it official and give them a name. Help us find a moniker for this one of a kind musical group. HECTOR OLIVERA IN CONCERT AT GLORIA DEI

Sunday, September 24, 2017, 4:00pm

This concert is sponsored by Gloria Dei Lutheran Church and the Los Angeles Organ Company to celebrate Gloria Dei's three manual organ.

A little about Maestro Olivera...

Since entering the Buenos Aires Conservatory as a child prodigy at age six, Maestro Hector Olivera has become one of the most sought after and revered international concert organists of the present time.

'The Times Reporter', describes an evening with Mr. Olivera as: *"An event, a happening, a joyful celebration of the sheer power and pressure that a true virtuoso like Hector Olivera can unleash in a concert hall."*

Born in Buenos Aires, Mr. Olivera began playing the pipe organ when he was three. At age five he played for the legendary Eva Perón; at twelve he entered the University of Buenos Aires and by eighteen had performed for heads of state and celebrities throughout Latin America. When offered a

scholarship at the renowned Juilliard School of Music in New York, he moved to the United States. Three years later, Mr. Olivera's outstanding professional concert career was launched when he won the AGO National Improvisation Contest.

Mr. Olivera has performed solo concerts throughout the USA, Europe, Asia, Australia, Central and Latin America and as guest soloist with prominent symphony orchestras worldwide.

Whether in a prestigious venue like Carnegie Hall, Royal Albert Hall, Cathedral of Notre Dame in Paris, Constitution Hall, Walt Disney Concert Hall in Los Angeles, or in conjunction with a celebrated event like the Olympic games or the Classical Newport Music Festival, the most sophisticated and demanding organ aficionados claim that Maestro Hector Olivera is 'one of the greatest organists in the world today.'

Please invite a friend, neighbor to this unique opportunity. A light hors d'oeuvre reception will follow after the concert.

ORGANIST WORKSHOP led by Mr. Olivera will take place on Saturday, September 23, 10:00 a.m. at Gloria Dei. This is a special invitation to all church organists and musicians to be a part of this learning experience. For more information, please contact the church office: 949-493-3414 or gloriadei@mygloriade.org.

GREETINGS FROM DORCAS WANG!

Dear Friends,

In August, I will have a teaching trip in a small town. Then, I will combine a part of annual vacation with a teaching trip in Taiwan. I am looking forward to those days visiting friends and having some sightseeing. In the fall, a very full schedule waits for me.

Thanks, dear friends, for your faithful support in both prayer and finances. I do not just say it each time from my mouth, but from the bottom of my heart. I do know without your partnership I will not be here to do what I do every day. Thanks be to God!

May God bless and repay you for all your kindness in Christ Jesus!

In Him,

Dorcias
