Grace changes everything

MILESTONES – ON A GROWING CHILD’S FAITH JOURNEY

(At Gloria Dei, we believe children and adults grow spiritually when the Spirit deeply connects us to community. When a faith community surrounds a child at important milestones of their life, amazing things happen - faith, hope, and love. Seldom is the faith journey easy or neat, but God never gives up on anyone. We call that grace - God’s unconditional love. May you learn of God’s grace deeply and personally - it changes everything!)

One generation shall praise Your name to another and shall declare Your mighty acts. (Psalm 145:4)
