## DEI-LY LIGHT

## FEBRUARY 2020 NEWSLETTER

Dear Gloria Dei family,

**February is about love.** Of course we think about Valentine's Day. It's also my anniversary. I'm sure there will be some valentines, gifts, roses, and flowers around. But what I'm really talking about is Lent. Maybe most people don't put the Season of Lent and love together. But we should. I'll explain below, but for your information: Lent begins with Ash Wednesday, February 28. There will be three opportunities to receive ashes and also a soup supper. By the way, we will also begin taking **reservations and deposits for the Columbarium** during Lent.

Our theme for Lent 2020 is "*Were You There?*" We will have first person portrayals of people who were at the cross and empty tomb. My thanks to all those who will be acting for us.

The other day, a Sunday morning guest asked me, why I'm a Christian. "*Why do you believe in Jesus?*"

And that's where love comes in. I answered, "The cross. The historicity of Jesus is clear. To paraphrase C.S. Lewis, '*as a person who teaches literature at Oxford, the New Testament is not fantasy writing, but reflections on actual history.*' I agree, but more, it's the cross, the words from the cross, forgiveness from the cross, grace from the cross, the person on the cross who keeps me. When I'm tempted to give up, say enough is enough, it's the person on the cross who keeps me. When I'm sick of human sinfulness, both from others and myself, both inside and outside the church, it's the cross that keeps me. That's love and the power from time to time to get beyond myself and love someone else."

Lent is a 40 day reflection on the cross, on love. What keeps you in faith and love? That's Lent.

Gratefully yours,

*David R. Mattson*  
Pastor David R. Mattson

## Pastor Sabrina's Dei Light

### Darkness to Light

For the second year in a row, Lent begins fairly late (February 28). Which means, of course, that Easter is later – April 12. I love when Easter falls late into the spring. It seems so appropriate when the warmer weather and all of the new plants springing out of the ground echo the message of the resurrection. We proclaim the message of new life, while being surrounded by new life! According to the ancient church, Lent was meant to begin in the darkness and journey toward the light. We experience that in miniature at the sunrise service on Easter morning, which begins in the predawn darkness and ends after the sun has started to rise.

I have never been one to emphasize giving up something for Lent. I tend to think it involves too much guilt and/or focus on self-improvement rather than making room or making time in our busy schedules for reading, contemplation, or acts of service that we believe God wants us to do. Of course, there's nothing wrong with giving up Facebook or Twitter, sweets, alcohol, phone games, like Candy Crush (in my case, I'd love to give up Candy Land for Lent since my kids have been insisting we play it every day since they received it for Christmas!).

Generally, I'm usually more interested in starting a new habit, picking up a new devotional, or spending more time in prayer than I am in giving anything up. But I was reminded this year that there is some value in occasionally denying ourselves a particular vice. It reminds us that there is very little we could live without. In fact, besides God, the basic necessities that God provides, and our loved ones, we can probably live without everything else in our lives. And that is good to remember every once in a while.

If you are looking for something to give up, I can make one suggestion. How about giving up an hour every Wednesday during Lent at 6:00pm to attend our soup supper and service? It will be around the theme **Were You There?** – focusing on the perspectives of people who were with Jesus near and around the cross. I hope you have a meaningful Lent!

## PRESCHOOL

*Gloria Dei is a place where children play and pray!*

We are still anticipating our accreditation visit, but we are ready. We have received quite a bit of coaching from our Orange County Department of Ed representative; she has been amazing with our staff in preparing them for this experience.

Our students will be learning about all the different professions that keep us safe, healthy, and aware. We will be receiving visits from a doctor, nurse, fireman, policeman, a construction worker, and an artist. Our students love having visitors, especially ones that come with props!

We will have Preschool Registration for the 2020-2021 school year on February 19th. Gloria Dei members who are interested in enrolling should contact the preschool office immediately. Members will receive a discount on tuition, upon registering. We've got over 30 families on our waiting list. God continues to bless this school in so many amazing ways, and I am deeply grateful to witness it.

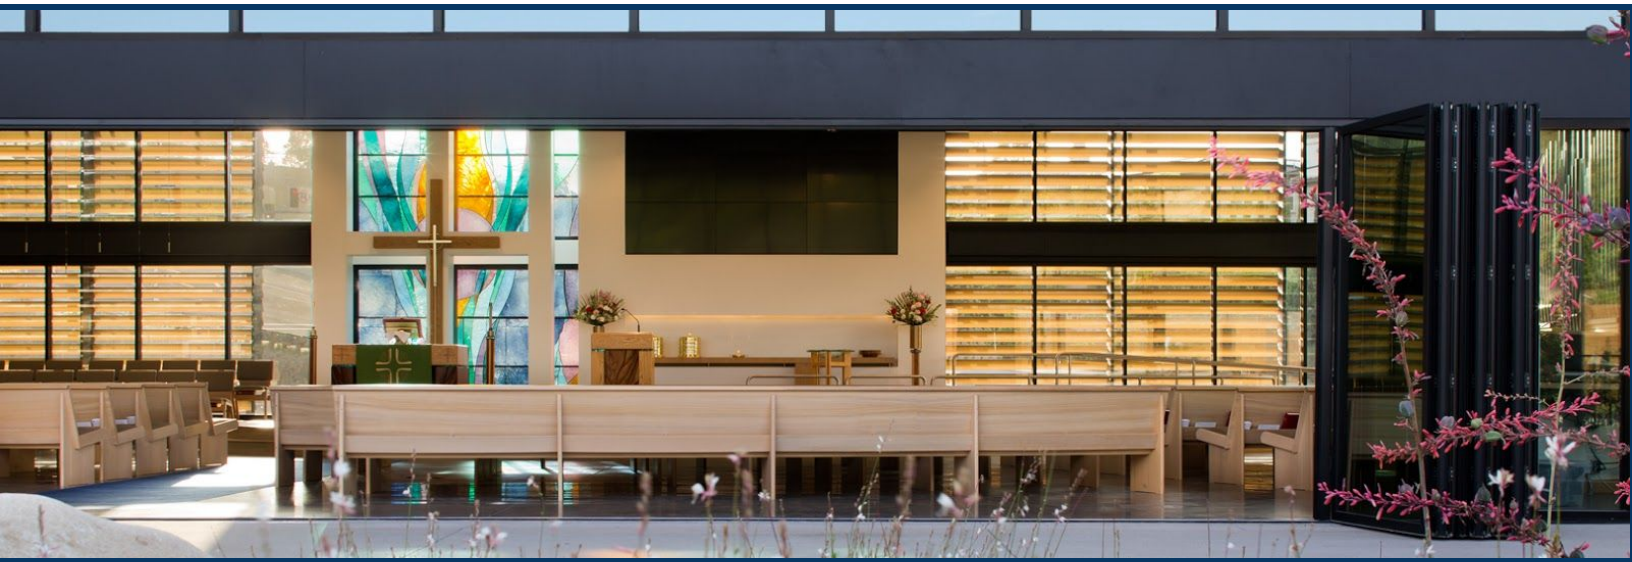

*"There's always a blessing to thank God for; the ones you are aware of and the ones you are not.  
Be grateful to God everyday."*

## LOS ANGELITOS ORPHANAGE MINISTRY

- In 2020, our mission trips will be February 22, May 23, August 22 and December 5.

My name is Rosa Ramirez. I came to Los Angelitos Orphanage as a child. I am originally from Chiapas, the poorest part of Mexico, where few opportunities exist for someone born into poverty.

At the age of 14, I realized there was no way out of the severe poverty of my hometown. I dreamed to seek a better quality of life so I set out for the long journey to the big city of Tijuana. After arriving in Tijuana I began working in a factory for 12 hours a day, six days a week for very little pay. Still only 14 years old, I was confused, alone, sad, and didn't know what would become of my life.

Then things went wrong. Bad things happened to me and because I was a minor, I ended up under the jurisdiction of the court system and placed in a large government building for abandoned children. But after several months in the

holding facility, an incredible miracle happened; a room became available for me with my newborn child and we were warmly accepted with open arms into the home of Los Angelitos Orphanage.

I knew that this home was one of the greatest things that could happen to me. I finally had a loving family and a secure home that provided me with an opportunity to get an education, start a career, and, one day, to help others in need. Los Angelitos has given me strength and determination to move forward in my life without looking back at all the hardships and things that happened to me.

I am now a nurse having graduated from the University of UNIDEP. I am so thankful to give back to others as I have been so blessed.

I would like to thank all of you that have contributed so generously to make my dreams come true. Thank all of you for supporting the home of Los Angelitos Orphanage.

- To learn more about our orphanage ministry, contact David (203-952-5657) or Susan Warneke (510-967-3211).
